

SURGERY AND MEDICAL TREATMENT PACKAGES

Exclusive Privileges for Generali Policyholders

Generali understands that undergoing surgery is a significant matter that requires confidence, both in terms of medical care and cost management.

To support this need, we have partnered with selected network hospitals to offer specially priced surgical and medical treatment packages, enabling Generali customers to plan their healthcare expenses in advance with greater clarity and receive treatment with peace of mind.

This exclusive privilege is available to Generali policyholders, who may express their intention to undergo surgery or receive treatment at package rates at participating network hospitals.

Eligibility period:

1 January 2026 – 31 December 2026

Terms and Conditions

- This privilege is available to Generali health insurance customers whose coverage meets the company's specified conditions.
- Customers may inform participating hospitals of their intention to use the surgical package privilege. Advance appointment booking is recommended for convenience.
- Package details, surgical procedures, and service conditions may vary in accordance with each hospital's policies and conditions.
- Generali reserves the right to amend the packages, surgical procedures, or service conditions as appropriate without prior notice.
- The approval and decision of Generali and/or the hospital shall be final.
